

Student, Singapore

Goals

- Learn about Singapore batik heritage
- Find unique type clothes
- Find contemporary culturally significant clothes
- Support local artisans

Expectations

- Information is easy to understand
- Products are authentic
- Shopping experience is smooth

Concerns

- Buying fake or mass-produced batik
- Paying too much
- Not knowing the story behind the product

Emotional Tendencies

- Curious about local culture
- Slightly hesitant when making purchases
- Feels satisfied when supporting local artisans
